Park District Girls Volleyball

There will be a parent meeting on Thursday, January 12th at 5:15PM at the Grade School Gym for 5th/6th grade girls interested in playing volleyball. At that time, Abby Meister will explain the changes to our 2017 Volleyball program. There will be an Instructional Team designed to introduce the players to the basic rules of the game while having fun with their teammates. There will also be an Advanced Team for girls who have experience and skill playing at a more competitive level. These programs both provide a great opportunity for the girls who are interested in playing volleyball at the middle school level.

The season runs January through March. Practices will be held two nights a week starting mid January and games will be played in February and March. Registration will take place following the parent meeting through January 19.

Cost: \$70.00 Residents / \$80.00 Non-Residents

If your daughter is interested in playing, please plan to attend the parent meeting. If you are unable to attend, you will need to contact our office (925-3811) or Coach Meister for details on registering for the program.
